Hancock, Herman-Norcross, KMS, MACCRAY, Morris
Area, Montevideo, Wheaton, West Central Area
and Willmar School District

Applications Postmarked by March 31st

Riverview Agriculture Advocate Program Mission Statement

The Riverview Agriculture Advocacy Leadership Program strives to create a learning environment for the development of young leaders in the agriculture industry. Participation in the Advocacy program will increase understanding of the agriculture industry and the important impact it has on our local, state, and national economies. Additionally, the program will develop the necessary support system for participants' current and future involvement as leaders in the agriculture industry.

Qualifications for Riverview Agriculture Advocate Leadership Program

1. Candidates must be at the end of their junior year of high school in the Benson, Campbell, Chokio-Alberta, Hancock, Herman-Norcross, KMS, MACCRAY, Morris Area, Montevideo, West Central Area, Wheaton or Willmar School District.. (program runs from June to May of the students senior year)
2. Neither participants, nor their families, need to be involved in production agriculture. Individuals must, however, want to develop their knowledge about agriculture and leadership skills through this program.
3. Participants must have strong communication and leadership skills.
4. Participants must be willing to participate in all aspects of the program including training, tours, community presentations, Ag in the Classroom in their school districts, and involvement in other activities as agreed upon by the program coordinator and the students involved. *All dates and activities will be planned once the students are chosen for this experience.*

Scholarship Information

1. All Agvocates will earn the following:
 - A \$2,000 scholarship will be awarded to each student after completion of program requirements
 - Riverview Polo Shirt
2. Students must complete all application requirements: Essay (Page 5) and Application Form (Page 6).
3. All applications must be postmarked by March 31..
4. All final requirements must be completed by May 1st of the students senior year of high school for payment to be received by Agriculture Advocates. Payment will occur after their first semester of college.

Program Application Information

“Hot Topic” Essay Guidelines

1. Identify one “hot topic or issue,” related to agriculture, you have followed or heard about recently in the news or in your community. Develop an essay that explains the topic, describes how this issue came about, and what you feel could be done by the agriculture community to help educate the public about this issue.

Deadline: Postmarked by March 31st.

(An essay shares your opinion or perspective. Facts and research may assist your essay writing, however, do not submit a research paper.)

2. *Essay should be a minimum of 500 words and a maximum of 750 words.*

Example Subjects:

- Environment (issues, new technology, etc.)
- Education (agriculture literacy, image campaigns, etc.)
- Production (disease research, management, etc.)
- Economics (trade and exports, market cycles, etc.)
- Food Safety (food preparation, consumer information, etc.)
- Social Issues (politics of agriculture, animal welfare, expansion, etc.)

This is not a comprehensive list of the potential subjects your essay could cover. Do not let this list limit you.

Please send applications to
Riverview, LLP Attn: Natasha Mortenson 26406 470th Ave Morris, MN 56267

Interviews (if necessary)

All applications will be reviewed and semi-finalists may have a personal interview. A committee will interview each candidate that is selected for this round. The personal interview will be an opportunity for candidates to demonstrate their knowledge of, passion for, and commitment to agriculture and display their ideas for how to increase agricultural literacy in our communities.
