### **CALF RANCH POSITION — TURKEY CREEK CALVES, WILLCOX, AZ**

DESCRIPTION: Riverview, LLP is an agribusiness based in Morris, Minnesota with farms in Arizona, Minnesota, Nebraska, New Mexico and South Dakota. We are involved in beef, crops, construction and dairy. We are currently looking to fill a full-time Calf Ranch position for our Turkey Creek location near Willcox, AZ.

Turkey Creek Calves will be a new facility with construction starting in September 2018. There will be 12,000 hutch calves with capacity up to 40,000 calves. We will raise all the milk-fed calves from 0-80 days. In this system, communication and synergies between Riverview farms will be critical to health and production of the animals. All of the animals will be internally-raised animals from our closed herd and we will control all steps of the process. This provides a unique opportunity to adjust and measure both upstream and downstream processes.

### **RESPONSIBILITIES:**

- Constant communication with other production sites and teams within the company
- Execute daily tasks with a focus on basic animal husbandry through the 5 C's of calf care: Colostrum, Cleanliness, Calories, Consistency, and Comfort.
- Improve cattle performance through improving health and average daily gain while decreasing mortality.
- Troubleshoot herd health problems and teach others how to do the same
- Improve and implement all feeding systems.
- Create operational efficiencies.
- Analyze and lower cost of production.
- Manage vendor relationships.
- Evaluate new and current animal health products and technologies.
- Work with on-staff nutritionist based in Morris, MN.

### **REQUIREMENTS:**

- Bilingual in Spanish and English

- B.S in Animal Science, Dairy Science, or similar degree
- 3+ years of experience in large-scale calf operations (10,000+ calves)
- Great communicator
- Passionate about teaching
- Accuracy and extreme attention to detail
- Persistent: Demonstrates willingness to get something done
- Humility: Continuous self-improvement

Starting salary based on experience and ability
